SAFETY AND PRIVACY AROUND SITE

- Trevassack Lake, run by Children's Sailing Trust, is a converted serpentine quarry. The 26-acre site comprises of the main entrance, car parking area, accommodation units, office space, changing rooms, lakeside learning centre building and the freshwater lake.
- Please be aware that the lake is not fenced off. Nobody may enter the lake or access the pontoons without prior arrangement or agreement of Trevassack Lake team.
- If an incident occurs on the lake the Duty Officer and Safety Officer are responsible and must be informed immediately.
- There are private holiday accommodation units on site - 3 houses and 3 cabins, with hot tubs and gardens. Please note, this area of the site is for staying guests only.
- Other users and guests may be around on the site during your meeting here, for example staying on site, using the facilities or the lake. They will be supervised by the Trevassack team.

FIRE SAFETY ON SITE

- You will be informed if there is a planned fire drill on site. If you have not been told there is a drill and the alarm sounds, please assume it is real.
- If you discover a fire please raise the alarm.
- If the fire alarms go off please leave by the clearly marked emergency exits and do not stop to collect belongings. Assemble at the fire muster point outside the office.
- The Duty Officer / Fire Warden will instruct what action needs to be taken. Please follow their guidance and the instructions of any officials.
- Do not enter any buildings until you have been advised it is safe to do so by staff or the emergency services.
- The fire muster point is outside the grey office building by the Lake (green sign).
