- Membership runs from date of purchase or 8th May (whichever latest) to 8th August 2023 (inclusive)

- All members must be 16yrs+ from start of membership with all U18s supervised on site
- Members must only take part in swimming sessions appropriate to their experience and suitability

- Members must sign in to the swim at the Watersports Hub prior to each session to collect a wristband
- Each individual swim session booked falls within the standard CST Swimming T&Cs
- CST may terminate a membership, with no reimbursement of fees if the Code of Conduct or Swimmers' Code of Conduct is in breach
- CST reserve the right to cancel a swimming session with no notice. Members will not be entitled to any compensation until there have been at least 14 days of no swimming sessions available
- CST reserve the right to discontinue swimming sessions with no notice. Any pre-paid membership will be reimbursed for any remaining weeks
- Summer Membership is not eligible for early termination, with no reimbursement of membership not used
