# Ceremony Options

## Lakeside Ceremonies

A photograph of a lakeside ceremony archway. The arch is made of two wooden posts connected by a white fabric canopy. The posts are decorated with large floral arrangements featuring white and green flowers. The arch is set against a backdrop of a calm lake with a rocky shoreline in the distance. Several yellow and red buoys are visible in the water.

Exchange your vows with the gentle sounds of the lake as your soundtrack and the beauty of nature as your backdrop. The lakeside setting is ideal for ceremonies of up to 48 seated guests and provides a stunning backdrop for your wedding photographs. Our lakeside ceremony area offers an enchanting setting where you can say “I do” with the shimmering waters of Trevassack Lake stretching out before you.

We can arrange elegant seating for your guests with a beautifully decorated aisle leading to a simple yet striking ceremony area. As you make your promises to one another, you’ll be surrounded by Cornwall’s natural splendour, creating a truly magical moment that you and your guests will treasure forever.

Create a truly personal ceremony, with all options available as celebrant-led experiences. We can guide you through lesser-known legal marriage options so you can have your dream celebration here, no matter what.

## Waterside Venue

For couples preferring an indoor ceremony with a view, the Waterside Venue offers the perfect compromise. With floor-to-ceiling windows and sliding doors that open onto the waterfront decking, you can enjoy all the beauty of the lake setting with the comfort and security of an indoor space.

Particularly ideal for ceremonies during the cooler months or when the British weather is unpredictable, the Waterside Venue can be transformed into a beautiful ceremony space that still maintains that crucial connection with the natural surroundings that make Trevassack Lake so special.

## Floaty Ceremonies

For a truly unique and unforgettable wedding experience, our electric, wheelchair-accessible watercraft 'Floaty' offers a one-of-a-kind ceremony option.

Perfect for smaller, more intimate ceremonies of up to 12 guests, imagine exchanging vows while floating around the lake, additional guests watching from the shoreline or decking as you celebrate your love in this most distinctive of settings.

This creates a truly magical atmosphere, where you feel connected not only to each other but also to the natural beauty of the water and landscape, providing extraordinary photo opportunities that capture the unique character of your wedding day.
